- Diploma in CSE

2004- 2017

BUDDHA JYOTI HIGHER
SECONADRAY ENGLISH BOARDING
SCHOOL

- School 1 to 10

CERTIFICATES

5th International robotics league and world robotics championship (08/2019)

Got incredible opportunity to participate in the 5th International Robotics League and World Robotics Championship, an event that brought together some of the brightest minds in the field of robotics from around the world.

Arch-A-Thon (2022)

Participating in the Arch-A-Thon, was an exhilarating journey that honed my skills, fostered teamwork, and pushed me to innovate in the realm of development skills.

PERSONAL PROJECTS

E-commerce websites (Present)

Developed a fully functional e-commerce website with a user-friendly interface, product filtering, authentication, and a seamless checkout process. Implemented responsive design for optimal performance across devices. Integrated dynamic product listings, cart management, and API-based data handling to enhance user experience and functionality.

Gujarat Tour (02/2023-15/2023)

Designed and developed a Gujarat Tour website showcasing top destinations, travel packages, and cultural highlights. Implemented a responsive UI with interactive features like tour filtering, itinerary details, and booking options. Focused on seamless navigation, engaging visuals, and user-friendly experience for travelers exploring Gujarat.
